

BOORDY VINEYARDS LANDMARK SERIES

These handcrafted wines are the finest representations of vintage year, varietal character, the geography of our region, and the soul of our winemaker. Made in limited quantities, the Landmark wines are sourced from 100% Maryland grown grapes, principally from Boordy's estate vineyards in the Long Green Valley of Baltimore County and South Mountain Vineyard in Frederick County.

To create wines that are expressive of place we use: non-irrigated farming to promote deep root growth, varied clonal selection for nuanced flavors, selective hand harvesting from varied vineyard topographies, and micro-vinification of small lots for final blending.

WINE STORY:

As part of our commitment to experiment with new varieties we planted Albariño in 2012 on sloping land in our South Mountain Vineyard in Frederick County. The vines are now thriving, producing small, compact golden clusters that ripen in mid-September. We cool ferment the wine in stainless steel tanks and bottle shortly after the first of the year to capture its freshness.

Grilled octopus, seared scallops, ceviche.
