HANDCRAFTED
in MARYLAND

Established 1945 RB Deford Family, Proprs.

LANDMARK SERIES

These handcrafted wines are the finest representations of vintage year, varietal character, the geography of our region, and the soul of our winemaker. Made in limited quantities, the Landmark wines are sourced from 100% Maryland grown grapes, principally from Boordy's estate vineyards in the Long Green Valley of Baltimore County and South Mountain Vineyard in Frederick County.

CHESAPEAKE ICONS

Offering both dry and semi-dry wines, the Icons are ideal for pairing with your favorite foods as well as casual enjoyment. The labels feature beautiful engravings of iconic Chesapeake Bay wildlife such as the Great Blue Heron and the Rockfish, and symbolize Boordy's tradition of working closely with nature.

SWEETLAND CELLARS

Boordy produces Sweetland Cellars wines in the belief that there is always a time & occasion for wine: a dinner party, a picnic, a holiday celebration, or sipping a glass on the patio. Sweetland Cellars feature natural blends of grapes, selected fruits, and spices and - as their name suggests - they have a sweet finish.

73 YEARS OF GRAPES & WINE :

Boordy Vineyards has been growing and making fine wines in Maryland since 1945. Located on the historic R. B. Deford Family farm in rural Baltimore County, Boordy's iconic stature derives as much from its wines and rich history as from its commitment to land stewardship.

ESTATE VINEYARDS :

Boordy tends estate vineyards in two distinct microclimates of Maryland: Long Green Vineyard in the rolling Piedmont Plateau north of the Chesapeake Bay, and South Mountain Vineyard in the western Blue Ridge Province. Vineyard manager Ron Wates grows grapes of ideal ripeness and flavor concentration by controlling crop size, carefully managing the leaf canopy, selective harvesting, and hand sorting of the fruit.

WINEMAKING :

Tom Burns, Boordy's award-winning winemaker since 1986, collaborates with co-winemaker José Real to craft a wide range of wines. Tom and José bring complimentary skills and profound passion to their work, continuously monitoring their wines and assessing trial blends, combining traditional and innovative winemaking methods to optimize the expressive qualities that Ron nurtures in the vineyards.
