

BOORDY VINEYARDS LANDMARK SERIES

These handcrafted wines are the finest representations of vintage year, varietal character, the geography of our region, and the soul of our winemaker. Made in limited quantities, the Landmark wines are sourced from 100% Maryland grown grapes, principally from Boordy's estate vineyards in the Long Green Valley of Baltimore County and South Mountain Vineyard in Frederick County.

To create wines that are expressive of place we use: non-irrigated farming to promote deep root growth, varied clonal selection for nuanced flavors, selective hand harvesting from varied vineyard topographies, and micro-vinification of small lots for final blending.

WINE STORY:

South Mountain Red is grown in our vineyards on the rocky eastern slope of South Mountain, which forms part of the Blue Ridge that bisects Maryland west of Frederick. Sourced from the same vineyard blocks that produce our reserve reds, and made using the same highly selective protocols, South Mountain Red is blended to emphasize a vibrant fruit forward quality that can be enjoyed at a younger age. This smooth, easy-drinking blend offers the freshness and appeal of a country bistro wine.

Rustic breads, artisanal cheeses, stews, grilled burgers, and pizza.

ESTATE VINEYARDS & WINEMAKING:

Boordy Vineyards has been growing and making fine wines in Maryland since 1945. Located on the historic R. B. Deford Family farm in rural Baltimore County, Boordy's iconic stature derives as much from its wines and rich history as from its commitment to land stewardship.
