BOORDY ALBARIÑO

Albariño originates from the Rias Baixas region of Spain. We planted it in our South Mountain Vineyard in Frederick County in 2012 as part of our commitment to experimentation. The vines are thriving, producing small, compact golden clusters that ripen in mid-September and yield a wine light in color with appealing aromas of peaches and flowers. We cool ferment Albariño in stainless steel tanks and bottle it shortly after the first of the year to capture its freshness. Albariño's naturally crisp acidity carries through to the finished wine, providing a beautifully balanced, lively impression on the palate.

SUGGESTED FOODS: Grilled octopus, seared scallops, ceviche, baked rockfish.

BOORDY ROSÉ

The backbone of our Rosé derives from Cabernet Franc grown in our Long Green Vineyard next to the winery which we blend with Merlot, Syrah and Cabernet Sauvignon from our South Mountain Vineyard in Burkittsville. The fruit is picked earlier than it would be for red wine in order to emphasize freshness and natural acidity. Fermentation in stainless steel tanks at a cool temperature yields a delicate pale pink wine that retains aromas of fresh cherries and rose petals. Rosé has a subtle complexity and a crisp finish that make it a versatile companion to a variety of foods.

SUGGESTED FOODS: Hors d'oeuvres, grilled wild salmon, rotisserie chicken, shrimp risotto, pulled pork barbeque.
