AWARD WINNING WINES

HANDCRAFTED in MARYLAND

Established in 1945 RB Deford Family, Props.

LANDMARK SERIES

These handcrafted wines are the finest representations of the vintage year, varietal character, the geography of our region, and the soul of our winemakers. Made in limited quantities, the Landmark wines are sourced from 100% Maryland grown grapes, principally from Boordy's estate vineyards in the Long Green Valley of Baltimore County and South Mountain Vineyard in Frederick County.

CHESAPEAKE ICONS

Offering both dry and semi-dry wines, the Icons are ideal for pairing with your favorite foods as well as casual enjoyment. The labels feature beautiful engravings of iconic Chesapeake Bay wildlife such as the Great Blue Heron and the Rockfish, and symbolize Boordy's tradition of working closely with nature.

SWEETLAND CELLARS

Boordy produces Sweetland Cellars wines in the belief that there is always a time & occasion for wine: a dinner party, a picnic, a holiday celebration, or sipping a glass on the patio. Sweetland Cellars feature natural blends of grapes, selected fruits, and spices and – as their name suggests – they have a sweet finish.

AWARD WINNING WINES

HANDCRAFTED in MARYLAND

Boordy Vineyards has been growing and making fine wines in Maryland since 1945. Located on the historic R.B. Deford Family farm in rural Baltimore County, Boordy's iconic stature derives as much from its wine and rich history as from its commitment to land stewardship.

ESTATE VINEYARDS & WINEMAKING

Boordy tends vineyards in two distinct microclimates of Maryland: Long Green Vineyard in the rolling Piedmont Plateau north of the Chesapeake Bay, and South Mountain Vineyard in the western Blue Ridge Province. Vineyard manager Ron Wates grows grapes of ideal ripeness and flavor concentration by controlling crop size, carefully managing the leaf canopy, selective harvesting and hand sorting of the fruit.

Tom Burns and Jose Real comprise Boordy's award-winning winemaking team. Tom has been Boordy's winemaker since 1986, and Jose joined the winery in 2011, having spent his early career in an enological laboratory in Spain. Tom's depth of experience is complemented by Jose's technical background, and their blend of traditional and innovative winemaking methods optimizes the expressive qualities of the fruit that Ron nurtures in the vineyards.
